Table of Contents

**Author's Biography** ..... 7

**Introduction** ..... 9

**2 Overview of User-Pay Systems for Municipal Solid Waste**..... 11

**2.1 User-Pay Options** ..... 11

2.1.1 *Approaches for varying waste management charges* ..... 11

2.1.2 *User-pay delivery system options*..... 12

**2.2 Profile of User-Pay Systems in Canada**..... 15

2.2.1 *A list of programs with user-pay components*..... 15

2.2.2 *Profile of programs surveyed*..... 16

2.2.3 *Differences amongst provinces* ..... 17

**3 Impacts of User-Pay Systems** ..... 21

**3.1 Impacts Commonly Reported in the Literature**..... 21

3.1.1 *Decreased waste to disposal and increased use of diversion Programs*..... 22

3.1.2 *Illegal dumping of waste* ..... 24

3.1.3 *Decreased program costs* ..... 25

**3.2 Impacts Reported by Respondents** ..... 26

3.2.1 *Decreased waste to disposal and increased use of diversion Programs*..... 26

3.2.2 *Illegal dumping of waste* ..... 27

3.2.3 *Decreased program costs* ..... 28

**4 Success Factors**..... 29

**4.1 In the Literature** ..... 29

4.1.1 *Concerns for public health*..... 30

4.1.2 *Issues of fairness of impacts on various members of society*..... 32

4.1.3 *Need to minimize impacts on the individual household* ..... 33

**4.2 Success Factors Reported by Respondents** ..... 36

4.2.1 *With respect to public resistance and support*..... 37

4.2.2 *With respect to planning tools and processes* ..... 40

4.2.3 *With respect to communications vehicles*..... 41

4.2.4 *With respect to success factors in general* ..... 42

**5 Findings** ..... 43

**5.1 Introduction**..... 43

**5.2 With respect to the status of user-pay in Canada** ..... 43

5.2.1 *Full user-pay programs rare in Canada*..... 43

5.2.2 *Ontario user-pay trend: small municipalities* ..... 43

5.2.3 *British Columbia user-pay trend: larger municipalities*..... 44

5.2.4 *Prairie provinces trend mixed* ..... 44

5.2.5 *Metered tag most common type of delivery system in Canada*..... 44

5.2.6 *User-pay reduces waste to disposal*..... 44

5.2.7 *User-pay programs often more cost-effective* ..... 45

5.2.8 *Illegal dumping a problem of perception*.....45  
**5.3 With Respect to Success Factors for Implementation**.....46  
5.3.1 *Hybrid user-pay systems most common in Canada* .....46  
5.3.2 *Utility concept important* .....47  
5.3.3 *Standard planning and communications tools used* .....47  
5.3.4 *Removal of IC&I subsidies*.....47  
5.3.5 *Public participation in planning* .....48  
5.3.6 *Opposition to user-pay cuts across party lines*.....48  
**Bibliography** .....51  
**Appendix: User-Pay Questionnaire** .....53
